Rakesh Kukatla - Available for ARM-ing! (aka live) Speak-ing! (aka Independent interest and Militia) and Tour-ing! (aka Servicing)

Hi Nikki,

If you would like to connect with me, I am available (at your convenience).

Thanks, for sharing your email address. It would be great if you are able to connect me with getthere at rhns cny.org or other transportation providers or any friends that might have a car. I have an urgent need (broken finger) to get to my specialist and hospital.

I did provide pro bono service for about a few months to rhns cny.org as part of my USA - Corporation for National and Community Service (Ameri corps - VISTA) commitment. Mary Maruscak was the person who showed interest in my knowledge, skills and abilities for Community health education. Prior, to this I was interested in USA - Peace Corps.

I did not sign up for this commitment. However, I did end up providing pro bono service to Mexico on my own for about six months.

I have heard from public sources of information that VINES is engaged in public good in Broome county. I personally consume mostly - dairy, meat, cake, chocolate and syrup. I have not had much of an opportunity to explore VINES.

I have an interest in Expanding and updating the Independent interest, around earth, moon's, planet's, star's and galaxies.

I am very much interested in your community service. It would be wonderful, if you are able to share your smart service with me. If the above links fail to work, I can email you, the files or just search (my name and file name) on a search engine of your choice.

Zoom me a response, or invite me to your place.

I reside in a very humble private residence (7 Elm Street, Binghamton, NY 13905. USA (Banana republicans aka United whores, aka Romani; USA = United slave america). However, you are always and most welcome to stop by (at your convenience).

PS: Also, forward to family (aka all CNCS - Americorper's - both up and down (aka time).

PS: Also, forward to Neighbors (Broome county and other's) - both ex and current (aka time).

PS: Please see.

Special Note:

In my travels around the USA and the World, I have been informed (public sources of information) and experienced (private sources of information) in many cities and towns - Princesses and Bar girls are not hopping into boy's cars or having dinner at boy's houses. It is neither customary (aka protocol) nor judicious (aka logically reasoned).

Nada, Special English Note: from Government, Leaders:

We have a special relationship with the House of Non-Profits (aka most favored Servicers).

Special American Note:

Have fun! CNCSing!

Thank you and happy ARM-ing, speak-ing and tour-ing,
Rakesh.
